

# European Forum for Urban Security (EFUS)

Priority to prevention and determination  
of the place of prevention

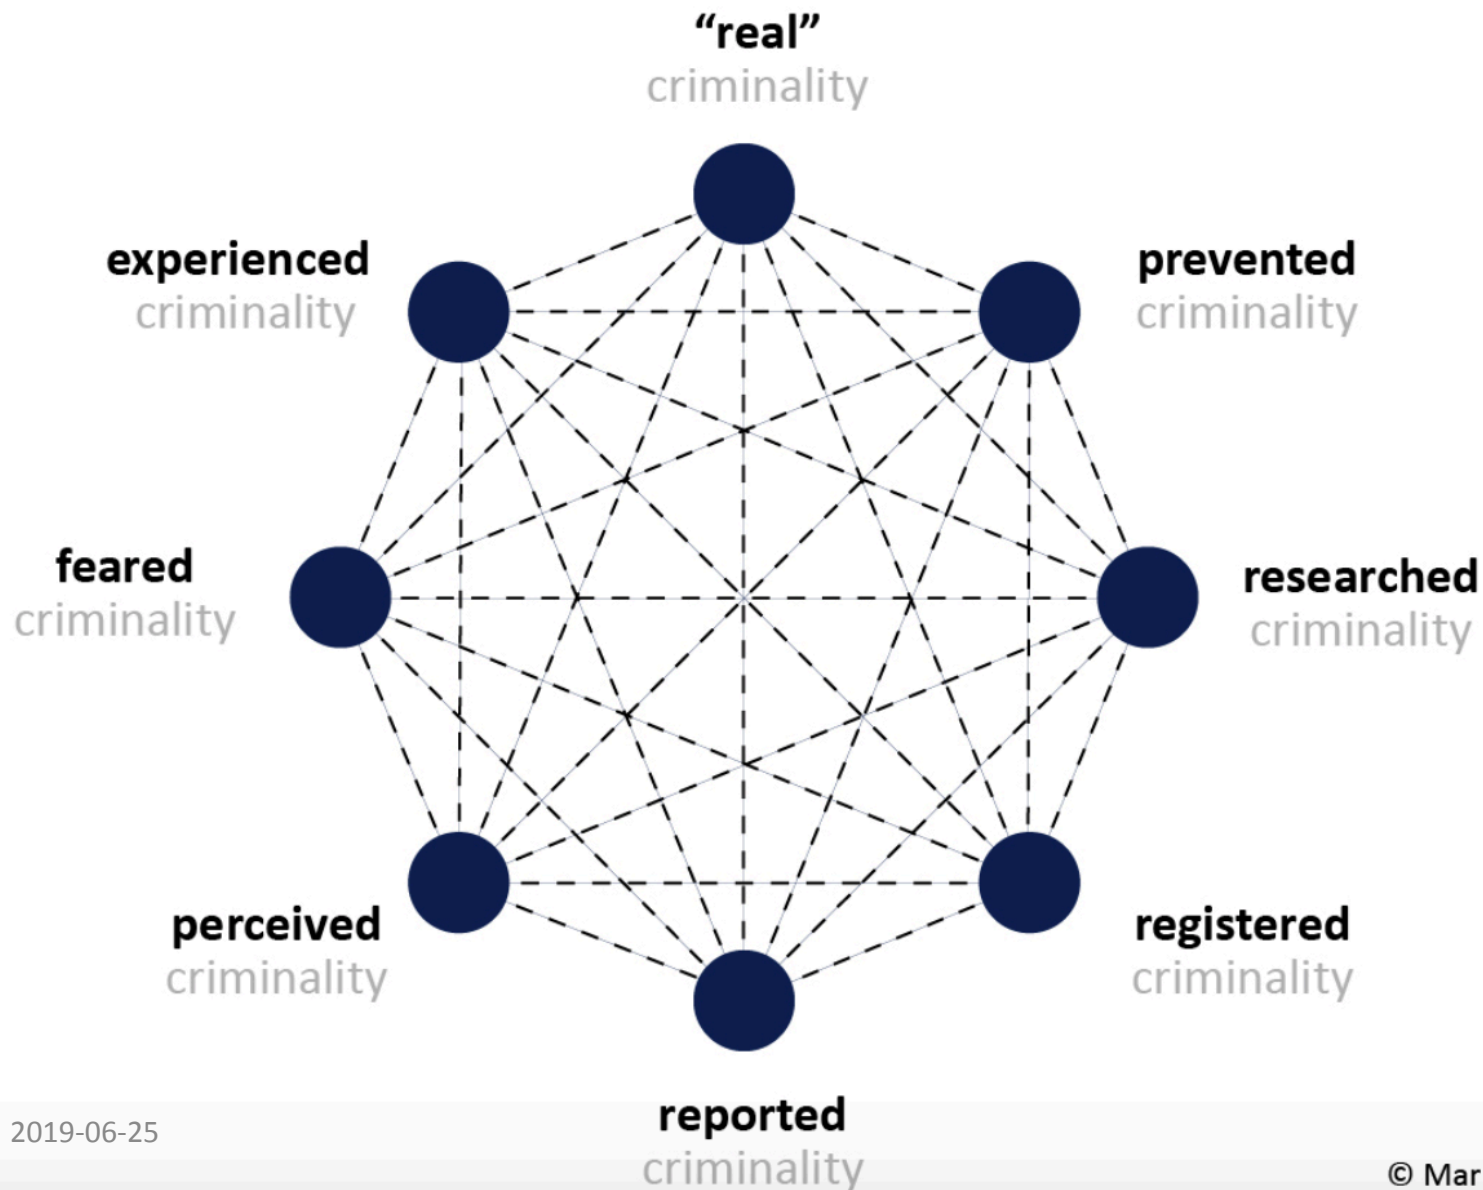

Erich Marks

Augsburg 2019-06-25

# Prevention means shared attention

# On the difficulties of “objectively” measuring criminality/criminalities

*Crime prevention  
is a confident attitude ,  
not a fire extinguisher ,  
but fire protection.*

*Crime prevention  
is cost-saving  
in the medium term.*

# The subsidiarity principle must play a central role in prevention policy
